## Honors Study Abroad Contract

This form should be submitted when students intend to use a study abroad experience as a substitute for HON seminar hours. In order to receive HON seminar credit, experiences must meet the following criteria: (a) minimum of six weeks abroad and (b) at least one, three-credit graded course associated with the experience. Credit for the study abroad is ultimately at the discretion of the student's UHP advisor. Students should always check with their advisor rather than assuming an experience will count toward HON seminar credit.

**Deadline:** This completed contract is due no later than the last day of class of **the semester prior to** the student's study abroad experience. The reflection paper is due no later than the fifth day of class of the semester following the study abroad experience. The contract may be submitted in paper format to the UHP Office, 219 Clark Hall, Campus Box 8610, or scanned and emailed with signatures to [university\\_honors@ncsu.edu](mailto:university_honors@ncsu.edu).
